- . The Nouveau “Woke”
- . Literature and Anti-Racism
- . Be Urgent, Be Patient

# Schools without Walls

- . Flexibility is the New Norm
- . Equity Issues Exacerbated
- . Opportunities for Growth
- . “Water of Systems Change”
- . #whateverittakes

# At “Risk of Learning Loss”

- The prominence of SEL and Trauma-informed care
- The importance of Wrap-Around services
- Students AND Staff
- Strategic Partnerships and Data Sharing

# Hope

- “My hope is in our children who can be the change of the future”
  - -Nicole Anderson
- “Note to educators: Hope is required when growing roses in concrete.”
  - -Dr. Jeff Duncan-Andrade
- It is important for us to believe that social change is necessary; it is the test of one’s morality to act upon those beliefs

# THANK YOU
